# PROTECTIVE FACE SHIELDS

Made in the USA by JBC Technologies

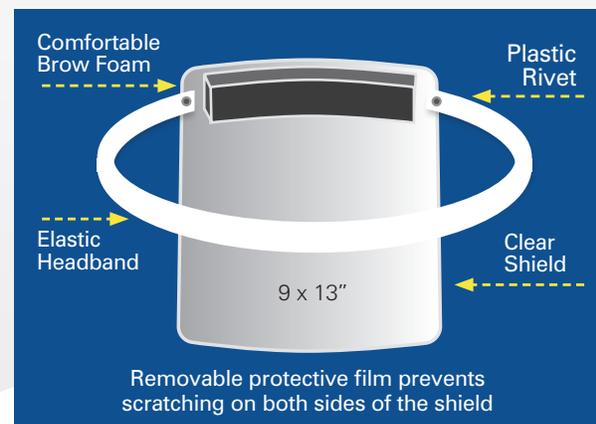

## Tech-SHIELD™ products are designed for protection and optimized for style and comfort.

- Full-face 9" x 13" design provides excellent coverage, protecting the eyes, nose and mouth
- 7mil thick clear double sided anti-fog PET plastic offers an unobstructed view of the face
- Removable protective film on both sides of the plastic prevents scratching before use
- 1" thick soft polyurethane brow foam provides both comfort and sweat absorption
- Non-branded brow label with subtle geometric pattern
- Latex-free black elastic headband provides universal fit while minimizing unwanted movement
- Comfortably fits over glasses, goggles, and face mask
- Provides protection against droplet and splash hazard
- Full coverage reduces incidental face touching
- Easily cleaned with soap and water

JBC shields have been tested in a third party lab and meet the requirements of ANSI/ISEA Z87.1-2015 for standard (non-impact) rated face shields.

**Limited use only.  
No returns.**

10 SHIELDS/BAG | 100 SHIELDS/BOX | 100 piece minimum
